## Our Firm

Pennock Acheson Nielsen Devaney is a firm of Chartered Accountants formed by former partners and senior managers of one of the international accounting firms. Their desire was to provide their clients with high-quality professional services, but with the consideration and personal touch that can be better provided through a smaller firm. We believe we offer our clients outstanding big firm experience delivered in a hands-on manner.

PAND's ability to develop and maintain meaningful relationships with clients sets us apart from other professional services firm; our objective is to be the client's trusted advisor for all business and financial matters.

Although we characterize ourselves as a mid-sized firm, our client base is comprised primarily of mid to large-sized owner managed enterprises as well as some public companies. Our client's range in size from \$50,000 to \$500,000,000 in revenue in industries such as manufacturing, retail, service, transportation, real estate management, tourism, agriculture and related services, wholesale, and oilfield service.
